Conference on Hong Kong Bilingual Legal System: Retrospect and Prospect

香港雙語法制： 回顧與前瞻研討會

The Conference on 'Hong Kong Bilingual Legal System: Retrospect and Prospect' is organised by the Faculty of Law of the University of Hong Kong, and is the first major international academic conference to focus on legal language of Hong Kong. The Conference aims to provide a platform for experts and legal practitioners from home and abroad to present their research and practical views, as well as to provide networking opportunities. In addition to the presentation sessions, workshops will be held on a variety of topics, covering both theoretical and practical aspects. As the Official Languages Ordinance is approaching its 50th anniversary, this Conference will review the challenges and opportunities of legal language of Hong Kong, and provide new ideas and directions to guide the further development of Hong Kong's bilingual legal system.
